Subject: State Application Identifier for the PSC's 2010 Coal Outcrop Fire Suppression grant application

Jim,

Attached is the draft of the Standard Form 424 for the PSC's 2010 Coal Outcrop Fire Suppression Grant application. The Abandoned Mined Lands Division will soon be submitting this application to the Office of Surface Mining for \$25,000 of federal funds. I would greatly appreciate it if you will provide me with a State Application Identifier number for this application. I will also provide you with a complete copy of the abbreviated grant application later.

If you have any questions, please let me know.
